# Raymond Vo

Computer Science + Entrepreneurship @ Columbia University | USC  
Bovard Scholar '25 | 2025 YEP KC Scholar | JADE '26  
United States

## Experience

### Tractics

AI Intern – Natural Language Querying  
June 2025 - August 2025 (3 months)  
Kansas City, Missouri, United States

Built an AI Natural Language Querying chatbot enabling users to ask questions about construction data and receive instant insights. Developed using Python, LangChain, OpenAI API, and SQL; wired location beacons and supported daily office operations.

### University of Southern California

USC Bovard Scholars  
July 2024 - June 2025 (1 year)

A highly selective, free, year-long college prep program with a two-week residential component at the University of Southern California for high-achieving students.

### Trozzolo Communications Group

Marketing Intern  
June 2023 - July 2023 (2 months)  
Kansas City, Missouri, United States

Consulted for non-profit ArtsKC through the ProX Internship Program; developed a comprehensive marketing strategy, selected as a top 8 finalist out of 600 interns in a citywide pitch competition, and awarded a signed Kansas City Chiefs football.

### Startland

Social Change Intern  
June 2022 - July 2022 (2 months)  
Kansas City, Missouri, United States

Created and led a housing initiative with Students of Change; placed 13th in citywide pitch competition; received \$1,250 stipend; participated via ProX Summer Internship Program.
